We need to carefully check the provisional programme which is attached, and therefore need your entries in on time please.

Necesitamos revisar con atención el programa provisional que está adjunto, y por lo tanto necesitamos las inscripciones a tiempo porfavor.

Information has already been sent to you regarding hotels, the venue, the Organisation persons involved, the different airlines, etc. and we look forward to receiving your entries. It would also assist the FIRS Artistic Technical Committee if you could send me the number of skaters in each event you are proposing to send before you have actually selected the team, as this also helps the planning of the Programme.

Ya se envió información sobre hoteles, escenario, personas de la organización involucradas, las diferentes aerolíneas, etc. y esperamos recibir sus inscripciones. También le ayudará al Comité Técnico Artístico de FIRS si envían un número de patinadores en cada evento antes de realmente escoger el equipo, ya que esto también ayuda a planear el programa.

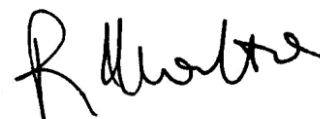

Looking forward to meeting you all in Cali.

Esperando verlos a todos en Cali.

Kind regards
