TO ALL ARTISTIC FEDERATIONS

Artistic skaters that participate in the 2016 World Artistic Championships being held in Novara, Italy from 28 September – 8 October 2016, will qualify for the 2017 World Games in Poland.

MEN'S FREE SKATING (short and long programme as per World rules)
Eight (8) skaters will qualify. One per country by placement at the World Championships. Only skaters who have placed in the top fifteen (15) at the Senior Championships are eligible.

LADIES FREE SKATING (short and long programme as per World rules)
Eight (8) skaters will qualify. One per country by placement at the World Championships. Only skaters who have placed in the top fifteen (15) at the Senior Championships are eligible.

PAIRS SKATING (short and long programme as per World rules)
Six (6) teams will qualify. One team per country by placement at the World Championships. Only teams who have placed in the top ten (10) at the Senior Championships are eligible.

DANCE SKATING (Style Dance and Free Dance as per World Rules)
Six (6) teams will qualify. One team per country by placement at the World Championships. Only teams who have placed in the top ten (10) at the Senior Championships are eligible.

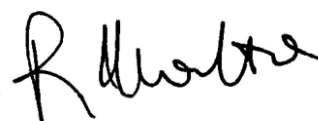

The selection of the skaters will be announced after each final event during the World Championships in Novara, and the acceptance or non-acceptance, by the skaters invited, must be advised to the FIRS Artistic Technical Chairman, within two (2) months of the invitation.

The host country is allowed one entry per discipline.

It will be the responsibility of the Federations of the skaters involved to arrange their own travel and the IWGA restrict the hotel arrangements to the days of the training/competition - no extra days for the hotel can be requested.
