#### **FIRS 2013 WORLD CHAMPIONSHIPS - HUNTINGTON BEACH, CA, USA**

It was very long to get a few Application Forms. We extended our deadline to try and get 16 Junior Men and 24 Senior Men's teams. We came up just short of our goal, however, we are enthusiastic about the entries and look forward for a great event.

To determine groups CIRILH applies the serpentine method according the rules, using 2012 classification then alphabetical order, in English, for new attending teams.

Rsporz, USA organizers and CIRILH will work together to build the schedule now.

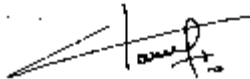

Attached there is a Roster file model. Would you please fill out this file for each of your National attending Team and send to [cirilh@icloud.com](mailto:cirilh@icloud.com) with copy to [slapshot@wwt.net](mailto:slapshot@wwt.net) , [alberto.lastrucci@gmail.com](mailto:alberto.lastrucci@gmail.com) and [eddy@rsporz.com](mailto:eddy@rsporz.com) .

The organizers need Time of arrival and Time of departure to schedule pick up at LAX.

And last but not least **the organizers** were able to secure the HONDA CENTER from July 14th through July 20th so they **could extend the Gold Medal Games of the Junior Women and Junior Men including the closing ceremonies on the 14th at the Honda Center**. While this extends the event one day most of these countries are staying to play in the Cup as well. This would be a real good experience for the teams (This is where the NHL Anaheim Ducks play).

**If this would affect one country than we could not do it.** Organizers think everyone is going home on the 15th or after but there are a couple of teams we have not heard their plans. So **let us know ASAP when your Junior Teams (Men or Women) will go home.**
