CALI 2015
CAMPEONATO MUNDIAL DE
PATINAJE ARTÍSTICO

Just a couple of days off after the success of the South American Roller Skating Open, Cali 2015, to start again into tasks of organization of another major event. This time, THE LX FIRS ARTISTIC SKATING WORLD CHAMPIONSHIPS - CALI 2015, which will be held at the Colombian city of Cali, from 14th to 27th of September.

The Colombian Federation of Roller Skating and The National Events Committee directs their efforts and revived their work team, established already since last January, to sort the final details and preparations for the World Championship, with a great expectation since it is planned the arrival of at least 1200 athletes from nearly 30 countries, therefore the details have to be taken into account in due time.

The President of the Fedepatinaje, Alberto Herrera Ayala, who also heads the Organizing Committee, stated that from this week on is on full speed to adjust the preparations for the World Cup event. "From the very moment that last year was held the world 2014 in Reus, Spain, our team is ready; we finished greatly the Open Event, and now re-enable the work for the world cup of artistic to have everything ready on time", said the Executive.

For the fulfilment of the LX FIRS ARTISTIC SKATING WORLD CHAMPIONSHIPS CALI 2015, it has been assigned two stages; the first is the velodrome track Alcides Nieto Patiño, in whose Center Court took place the World Games in this same discipline, and the second is the world cup inline hockey coliseum, which will be used for the training of athletes.

On the website of the world www.artisticocali2015.co is already posted the official information about the Organization of the World Championship, as well as the accommodation info and the official programme delivered by CIPA-FIRS.
