

ACCOMMODATION FOR EVERYONE

Santiago de Cali, June 2nd. 2015

There is an intense agenda ahead for the Organizing Committee of the **LX FIRS ARTISTIC SKATING WORLD CHAMPIONSHIPS CALI 2015**, in terms of accommodation and lodging since it is concerning that, as near as 1300 athletes are expected to arrive in Cali. In addition, the figure could easily rise to 2500 visitors, counting to technical staff, judges, journalists, exhibitors, parents and companions.

According to José Acevedo, General Director of the World Championships, the hotel capacity in Cali guarantees accommodation to all delegations. "We have agreements with 16 hotels with which we hope to cover the official demand, but furthermore, Cali has a strong hotel infrastructure suiting to this type of events; therefore, we can provide assurance all who have announced their coming into the world's", he said.

Santiago de Cali is considered "**the sports capital of America**", so it is used to host big turnout events. The most important in recent years, the World Games 2013, when it has arrived about twelve thousand people among athletes, judges, coaches, journalists and other participants. Having hosted this event, it has been confirmed and guaranteed the capacity to hold the World Championships.

All the information is already posted on the official portal of the LX FIRS World Championships <http://www.artisticocali2015.co/cali/hoteles.html>
